To whom it may concern:

It is my pleasure to provide this character reference for the owner of MRB Contractors Matt Hines, who is a passionate leader in the roofing construction field.

I have had the privilege to work with Mr. Hines on a weekly basis for over the past 2 years. Mr. Hines has been involved in Cavalry Construction's demolition, full roofing replacement phases, emergency temporary repairs, fast track deployment and ongoing quality control. He has extensive knowledge of construction and estimating and worked with my project managers and superintendents consistently to ensure they were estimating the roofing phases per industry and the city ordinance's guidelines.

Matt Hines has been very successful in assisting Cavalry to complete projects that were very problematic for various reasons. He also shared techniques with us that helped our turnaround time in completing project efficiently.

Matt Hines is very passionate and dedicated to his work and we look forward to working with him again.

Respectfully,

Danny Didyk
Senior Project Manager
Cavalry Construction & Consulting Inc.
