

BOMA Dallas Allied Membership Committee

RE: Letter of Recommendation

To whom it may concern:

It is my understanding that MRB Contractors has applied for a coveted vendor spot as a BOMA Dallas Member. It is my pleasure that I share the following comments and key points about the services they provide to Lincoln Harris, CSG.

MRB Contractors has been subsidizing our maintenance program for some time now. They have worked with our Regional Capital Engineer, Russell Paul, on various size projects and have come through in a pinch, when needed.

After working on several projects at my own properties and throughout our portfolio in the DFW area, we have had excellent experiences across the board.

We have found MRB Contractors to be extremely professional and a pleasure to work with. Their employees are very courteous and keep a very tidy work space. This is very important when working in a medical field in facilities, such as the medical offices and hospitals that Lincoln Harris manages.

I would describe MRB Contractors as a company that the expectation for excellence was met and exceeded. They have consistently met our high demands and always on budget.

In short, I feel that MRB Contractors would be a wonderful addition to BOMA Dallas allied membership and I highly recommend them as a vendor to any organization. They truly understand what it takes to maintain a successful relationship with their customers. If you should desire to discuss their performance, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Stacey Hascoe".
