To whom it may concern:

Over the past several years I have had the pleasure of doing business with Michael Ludwig at MRB Contractors. Michael, along with his fantastic team of professionals, has personally completed multiple roof replacement, overlay, repair, and coating projects for my company. He has been my point of contact for everything from initial pricing & scope recommendations to daily monitoring of progress during ongoing projects. The MRB team is always available to take my calls, texts and emails. Their communication practices are second to none. They are also quick to jump & run for emergency situations. Michael is not just a great professional, he's a great guy – and it shows through his commitment to his craft. I highly recommend MRB Contractors to anyone who is considering a commercial roofing project.

Sincerely,
